**RECEIVED**

DEC 11 2002

Sir:

**AMENDMENT UNDER RULE 1.129 (A)**

**TECH CENTER 1600/2900**

This is an Amendment under Rule 1.129(a) to remove the finality of and in  
response to the Final Official Letter dated November 5, 2001.

**IN THE CLAIMS**

Kindly cancel claims 319, 321, 324-327 and 329-330 and amend the claims as  
follows:

GI 320. (Amended) A method as in claim 318 wherein said Newcastle disease virus  
is strain MK107.

WLD 322. (Amended) A method as in claim 318 wherein said virus is administered by  
the intravenous route.
